Data Engineer Intern

Vivid Games S.A. (vividgames.com) is one of the leading Polish mobile game developers and publihers. For over a decade, we have been working on fantastic titles, such as those from **the Real Boxing series** - the most recognizable brand among boxing games in the world. We are a **team of 85 enthusiasts** with a mission to create games that give players a lot of entertainment at an unprecedented level. We work remotely with a team from around the world, providing employees with offices in Bydgoszcz and Warsaw.

*We're looking for a **Data Engineer Intern** to support our Big Data Team in ongoing tasks. You will have a great opportunity to work with our experienced colleagues as well as you will be able to expand your skills and knowledge by working hand in hand with those professionals.*

Location: Remotely

What are your duties?
- Python scripts,
- building data pipelines,
- performing data cleaning,
- contributing to Data Lake architecture and implementation,
- implementing Data Quality processes.

What should you offer?
- Proficiency in Python programming language,
- knowledge of Python libraries (at least: numpy, pandas, re, os, sys, json, datetime, requests, time + nice to have: multiprocessing, threading, dask, scikit-learn, plotly/seaborn),
- knowledge of SQL,
- cloud computing knowledge e.g. GCP, AWS, Azure (surface knowledge),
- proactivity, curiosity, willingness to learn,
- ideas on where to find answers if a problem arises,
- good knowledge of English (at least B2).

What are we offering?
- 3-month paid internship with a real possibility of employment,
- total flexibility on working on-site (offices in Bydgoszcz and Warsaw) and remotely, as well as planning your daily work cycle (your working hours are actually up to you),
- cool stuff that supports emotional, and intellectual well-being like the friendly atmosphere and great new colleagues,
- being a part of a small, independent team with as much transparency as it's possible,
- opportunity to grow professional development in the team of experienced professionals.
